

VENICCI[®]
TILA

STROLL WITHOUT LIMITS

A new pram joins the Venicci family.
Designed for urban life.

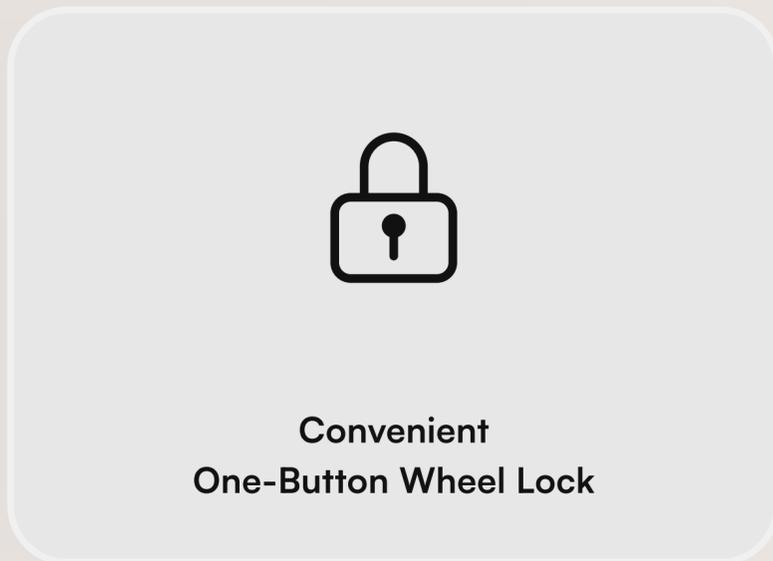

Slim, lightweight and cleverly crafted - meet Tila.
With the innovative Up2Go system, you can fold the
carrycot together with the chassis in a single, smooth
motion, making everyday life with your little one
simpler, enjoyable, and just a little more la dolce vita.

Perfect size and weight

Challenges? Tila is ready for them all.

Tila shows that a compact pram can still be truly comfortable. Agile and light, it glides effortlessly through narrow pathways, lifts and city corners. Crowded city centre? A tiny shop? Tila keeps up with you with ease. And once folded, you'll be amazed at how little space it takes.
